ATTEND TO YOUR COLDS —A case of five years anding cured by DR. KEYSER'S PECTORAL SYRUP

PITTSSURGH, Jan. 11, 1860. Dr. Kryshr:—My wife has been afflicted with a bad cough and difficulty of breathing, for five or six years, which, for several years back, had gradually increased in violence. The complaint has been hereditary, and she had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Cough Byrup. I bought, the first time, a fifty cent bottle, which relieved her vary much; I then called and got a dollar bottle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine myself to a cold and cough. The medicine cured me by taking one dose I express my entire satisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

Alderman Fith Ward.

Sewark Of Counterprets.

Prevaueau, Nov. 18, 1859,
Dr. Kryser:—Although not an advocate of Patent
Medicines, in general, it affords me pleasure indescriba
his to recommend your Pectoral Syrup. As a medicine
it is well worthy the attention of any person who may in
any manner be afflicted with coughs, colds and hoarseness
of any hind, and for the peculiar qualifications for removing all that disagreeable sensation attending a severe cold.

vere cold.

I have been, more or less, in my life, affected with the severest of colds and hourseness. At times my throat would become so closed as to prevent my speaking above a whisper, and by taking a few doses of the above Byrup it would relieve me catirely.

In recommending this medicine, I must unhesitatingly say that it is the best remedy I ever found, purporting to cure the above, nor should any family be without this remedy for diseases so prevalent. medy for diseases so prevalent.

Yours, most respectfully, EDWARD J. JONES.

COL. PRATT AND DR. KEYSER'S PECTORAL SYRUP.—Da. KEYSER'S DECTORAL SYRUP.—Da. KEYSER—Dear Sir: Excuse the delay of my acknowledging the excellence of your Pectoral Cough Syrup sooner. I take great pleasure in saying that it is all you say it is. It knocked the noise out of my cough and the worst one I was ever afflicted with: I have not used more than one-half of the bottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done, and they will be proud to say, "It is no quack medicine." I would not suffer another such an attack for any consideration, or at any cost. I am confident I can breathe more freely than I ever did. I shall always acknowledge a debt of gratitude for inventing so excellent a remedy. You are at liberty to use my name in this regard, as you think proper. E. F. PRATT.

READ THE TRUTH.—Dr. Kryser. I have a daughter who has taken several medicines for a bed cough, without benefit—among them Ayer's Cherry Pectoral.—I purchased from you a bottle of your PECTORAL SYRUP, and before she had used half a bottle she was relieved. The second bottle cured her entirely of her cough.

A GREAT CURE BY DR. REYERR'S PROTORAL SYRUP.—I live in Peebles township, Allegheny county. I had a coughing and spitting, which commenced soout the 4th of February last, and continued sight months. I employed the best physicians in the country, and my cough continued unshated until early in October. At that time I was advised to try your PECTORAL COUGH SYRUP, which I did, and after I had taken one bottle I was entirely free from the coughing and spitting. DR. KEYBER'S PROTORAL SYRUP IN ELAIRS-VILLE.—Please send me another supply of your valuable 'Pectoral Syrup." Almost everybody around us has the cold and are inquiring for "Dr. Keyser's Pectoral Syrup." We have sold sixteen bottles last week, and are now entirely out. Mr. A. Alter and Mr. P. ANOTHER NEW CERTIFICATE—DR. KEYSER'S
PECTORAL SYRUP.—I had been troubled with a cough
and cold for several weeks—so bad was it that I could not
sleep. I had the advice and prescriptions from three of
the best-physicians in the city, whom I could name, but do
not do so. I finally procured a bottle of your Pectoral
Byrup, which cured me entirely. Bigmed,

"atop that coughing."—'How can'l do it? "Go to Kryser's on Wood street and get a bottle of his Cough Pectoral, and if that don't care you, your case must be desperate indeed." This is a specimen of the colloquy one hears almost every day in cold catching periods of the year. And we can, from actual experiment, theer fully concur in the adviser's admonition as above, for we have tried the "Pectoral." in a most stubborn case, with entire success. Near two weeks ago we went to Pittsburgh, with one of the most distressing, contrary, mulish, unsubdanable coughs we ever experienced since our advent upon this mundance sphere. We coughed steadily and laboriously for one whole week, in hopes of the imp of our, but it was no go. In fact it seemed rather to have improved by practice, and to have sequired strength, potency and distressibility by the operation. In this stage of the siege, we con shed our way to Keyser's, 140 Wood St.—procured a fifty cent bottle of the "Fectoral;" took it according to directions, and in forty-eight hours we were master of the field, the enemy having unconditionally surrendered, after a brief but unequal conflict with so formidable an adversary as Keyser's famous "Cough Pectoral."—Drouweville Chipper, Dec. 14, 1539.
